

REMARKS

Claims 22, 24, 25, 27, 29, 34, 38, 41, 43, 45, 47, 48, 50, 52, 57, 61, 64 and 66 have been amended. Claims 1-21, 26, 28, 30-33, 35-37, 39, 40, 42, 44, 49, 51, 53-56, 58-60, 62, 63, 65 and 67 have been canceled. No new claims have been added. Claim 22-25, 27, 29, 34, 38, 41, 43, 45-48, 50, 52, 57, 61, 64 and 66 remain pending in the application.

Applicant thanks the Examiner for indicating that claims 26 and 49 are allowable over the prior art of record. The limitations of dependent claim 26 have been incorporated into the independent claim from which it depended (claim 22) and the limitations of dependent claim 49 have been incorporated into the independent claim from which it depended (claim 45). All other remaining claims depend directly or indirectly from claim 22 or claim 45. Accordingly, Applicant submits that all remaining claims are in condition for allowance.

The amendment to claim 22 has corrected the lack of proper antecedent basis for "the guide rail" in claim 41 as the amendment adds "guide rail" to claim 22 and claim 41 depends from claim 22. Similarly, the amendment to claim 45 has corrected the lack of proper antecedent basis for "the guide rail" in claim 64 as the amendment adds "guide rail" to claim 45 and claim 64 depends from claim 45.

Respectfully submitted,
